 [3/31/19, 10:36:41 AM] +1 (631) 379-9928: Again  
 [3/31/19, 10:37:14 AM] Anastasia: I just don't know if I'll be able to stop

 [3/31/19, 10:41:59 AM] +1 (631) 379-9928: I don't get that  
 [3/31/19, 10:42:01 AM] +1 (631) 379-9928: ??  
 [3/31/19, 10:42:26 AM] Anastasia: I used to hate myself for smoking weed  
 [3/31/19, 10:42:44 AM] +1 (631) 379-9928: Ok

But

You hated yourself anyway

[3/31/19, 10:42:46 AM] +1 (631) 379-9928: No  
 [3/31/19, 10:42:46 AM] Anastasia: now I don't care because it doesn't phase me that

 [3/31/19, 10:43:33 AM] +1 (631) 379-9928: You're not doing it

[3/31/19, 10:43:40 AM] Anastasia: oof  
 [3/31/19, 10:43:58 AM] +1 (631) 379-9928: Or is there more to tell me  
 [3/31/19, 10:44:18 AM] Anastasia: and if I don't stop.]  
 [3/31/19, 10:44:24 AM] Anastasia: Then what  
 [3/31/19, 10:45:03 AM] +1 (631) 379-9928: Answer my question  
 [3/31/19, 10:45:26 AM] Anastasia: it's not correct because I don't know if I'm able  
 to stop  
 [3/31/19, 10:46:02 AM] Anastasia: I can't tell you I'll stop because the second  
 someone throws it near me I'm 100% down to get messed up  
 [3/31/19, 10:46:26 AM] +1 (631) 379-9928: You've resisted before last night  
 [3/31/19, 10:46:43 AM] Anastasia: that was before I felt what I felt last night  
 [3/31/19, 10:46:53 AM] +1 (631) 379-9928: And that was  
 [3/31/19, 10:46:56 AM] Anastasia: now I'm on a huge high to feel that high again  
 [3/31/19, 10:47:25 AM] +1 (631) 379-9928: You need to replace that

Run

[3/31/19, 10:47:57 AM] Anastasia: For the first time in forever I felt like I could  
 breathe. I was in such a place in my head that there was no getting to me. I know  
 this isn't something I need but it helped for a second

[3/31/19, 10:48:14 AM] Anastasia: now I understand why people do it  
 [3/31/19, 10:48:37 AM] +1 (631) 379-9928: Yes and that why you're on prescribed  
 medicine

[3/31/19, 10:48:54 AM] Anastasia: meaning..

[3/31/19, 10:49:25 AM] +1 (631) 379-9928: The meds when they work will get you to a  
 good place

[3/31/19, 10:49:30 AM] Anastasia: Yes

[3/31/19, 10:50:13 AM] Anastasia: Now I'm just slowly spiraling out of control and  
 I'm allowing it

[3/31/19, 10:50:23 AM] +1 (631) 379-9928: You're not in a place to be a recreational  
 user

[3/31/19, 10:50:29 AM] +1 (631) 379-9928: That's bullshit

[3/31/19, 10:50:42 AM] +1 (631) 379-9928: Spiraling nothing

[3/31/19, 10:51:06 AM] +1 (631) 379-9928: You had a solid week with one bad night

Don't make excuses

[3/31/19, 10:51:29 AM] Anastasia: and if I don't stop.. then what

 to be when you did that  
 [3/31/19, 10:55:36 AM] Anastasia: not to be weird or anything but I thought of you  
 all night  
 [3/31/19, 10:55:43 AM] Anastasia: I knew you would've been upset  
 [3/31/19, 10:55:57 AM] Anastasia: Like I imagined you until I couldn't anymore in  
 the back seat shaking your head  
 [3/31/19, 10:56:15 AM] Anastasia: but I still did it because I was in such an

 [3/31/19, 10:58:48 AM] Anastasia: I think  
 [3/31/19, 10:59:19 AM] Anastasia: if I slept over [REDACTED]'s last night I would've been  
 at someone else's house shooting my arm up and on every drug possible  
 [3/31/19, 11:00:25 AM] +1 (631) 379-9928: Fuck me

[4/1/19, 4:21:09 PM] Anastasia: So you were texting and driving.. shaking my head  
[4/1/19, 4:21:24 PM] +1 (631) 379-9928: Maybe  
[4/1/19, 5:07:24 PM] +1 (631) 379-9928: Your answer is called will power  
Do you think it's easy not drinking?

That's how you stop.  
It's not easy  
Nicotine is addicting, this a proven fact backed by science  
You're fighting with one arm behind your back  
[4/1/19, 5:10:21 PM] +1 (631) 379-9928: And I'll tell you this  
As you know it leads to other more unhealthy things.

There are a ton of people that live clean that don't want to mess with people that do stuff

The more you juul the less you'll be active  
And that's the key to your mental and physical health  
[4/1/19, 5:11:11 PM] Anastasia: the uh girl I was with I started flirting with  
[4/1/19, 5:11:29 PM] +1 (631) 379-9928: The what  
[4/1/19, 5:11:39 PM] +1 (631) 379-9928: English girl speak English  
[4/1/19, 5:11:57 PM] Anastasia: and I was asked if I'd get with her because I could  
with no problem and I said I can't because then I won't stop juuling  
[4/1/19, 5:12:18 PM] Anastasia: it's literally the girl I just uh before because  
that's what I say  
[4/1/19, 5:12:28 PM] +1 (631) 379-9928: Great call  
[4/1/19, 5:12:57 PM] Anastasia: I feel like I needed these past few days  
[4/1/19, 5:13:12 PM] Anastasia: I learned a lot on my run today  
[4/1/19, 5:13:17 PM] +1 (631) 379-9928: Sometimes you need to crash  
[4/1/19, 5:13:23 PM] +1 (631) 379-9928: Like what  
Tell me  
[4/1/19, 5:14:09 PM] +1 (631) 379-9928: Sometime I feel like you're testing my  
resolve and seeing if I will turn my back on you  
[4/1/19, 5:17:14 PM] Anastasia: I really do test you. That's because I've had so  
many people that told me they'd be there for me and the time I needed them most to  
push me through whatever they were no where to be found. So my trust issues are very  
slim.  
[4/1/19, 5:17:38 PM] +1 (631) 379-9928: Ya think  
[4/1/19, 5:18:33 PM] +1 (631) 379-9928: So stop testing and trust  
I'm here  
Maybe not at 2,3 am for obvious reasons  
But I'm here  
[4/1/19, 5:19:39 PM] Anastasia: I learned that I'm not the kid to be doing all these  
drugs. It's been what 2 days and I can't even keep up with my distance runners. I  
learned that I have so much support that I don't use wisely and doing all these  
drugs will not only hurt me but everyone that's going above and beyond for me. I  
genuinely can't even have fun because it's not fun. Fun was finishing dead last not  
my Saturday night run.  
[4/1/19, 5:20:12 PM] Anastasia: Once again I'm struggling to get back on my feet  
from my bad decisions  
[4/1/19, 5:21:18 PM] +1 (631) 379-9928: That was one of the best things you've ever  
said

You payed today  
Tomorrow will be better  
[4/1/19, 5:23:00 PM] +1 (631) 379-9928: I've been around athletes my entire life  
If I did t think you were as BA as you are I wouldn't be pushing you and have you  
use running as a release  
[4/1/19, 5:23:36 PM] Anastasia: Thanks  
[4/1/19, 5:23:56 PM] +1 (631) 379-9928: I have until about 6 then it's go time at my  
house

[4/2/19, 6:27:09 AM] +1 (631) 379-9928: Bro

Hope you're not down today.

You had a great day yesterday , minus the juul.

I'm excited for you because your moods have been so awesome.

It's becoming the norm.

3 questions.

1) how are you?

2) how are your legs? Feeling not looking

3) one thing that makes you happy

Look forward to chatting latter

[4/2/19, 6:39:11 AM] Anastasia: I was down low key but I'm just at a whatever mood.

All good vibes

[4/2/19, 6:47:16 AM] +1 (631) 379-9928: Ans my questions girl

[4/2/19, 6:47:40 AM] +1 (631) 379-9928: All good vibes

Hit all your goals today

[4/2/19, 6:50:08 AM] Anastasia: Oh I thought I was gunna answer then when we talked.. lol I'm a little disappointed in myself. Legs are so much better after the hot tub. One thing that makes me happy.. seeing myself do better

[4/2/19, 7:00:41 AM] +1 (631) 379-9928: No heavy talk later, how's that.

Well maybe a little but let's just bull shit and laugh a little

[4/2/19, 7:30:39 AM] +1 (631) 379-9928: Since you are in the library

Read this

What you are experiencing is the nicotine addiction

[4/2/19, 7:37:24 AM] +1 (631) 379-9928: I'm trying to bring you to the realization that there is nothing wrong with you because of the juul but that you need to realize it's doing to you exactly what it's supposed to, the addiction need for more.

Also that countinued use is very very bad for you

Your fight is Like , you're running a race with one shoe

I get that

Just trying to educate you its the only way to stop

[4/2/19, 7:44:19 AM] Anastasia: That hit home

[4/2/19, 7:48:12 AM] +1 (631) 379-9928: Ya huh

LOL

[4/2/19, 7:48:24 AM] Anastasia: It's just so hard to stop when every corner you turn someone is offering

[4/2/19, 7:48:34 AM] +1 (631) 379-9928: I know

I know

[4/2/19, 7:49:12 AM] +1 (631) 379-9928: Start getting shitty with people

Like

"No asshole, fuck off!"

[4/2/19, 7:49:47 AM] Anastasia: I went to my cousins last night because they were having a birthday bash and I go looking for my cousin and she's sitting on the top of her stairs getting high (weed) and let me tell you how much it took out of me to say "this is why I don't chill with you anymore"

Earn the pain

Get hard

Stay Hard

[4/2/19, 5:04:11 PM] Anastasia: Bruh I can't even get out of bed

[4/2/19, 5:05:48 PM] +1 (631) 379-9928: DO IT!

[4/2/19, 5:06:09 PM] +1 (631) 379-9928: Everything I tell you to do you feel better after

[4/2/19, 5:06:42 PM] Anastasia: You suck sometimes but thank you I will

[4/2/19, 5:12:10 PM] +1 (631) 379-9928: Do it

Get the pain

I'll know if you don't

Because I know where you will be sore

Use your sticky notes to keep track

[4/2/19, 5:12:43 PM] +1 (631) 379-9928: And yes I suck

[4/2/19, 5:24:44 PM] Anastasia: The amount of times I've had to re write THE\* sticky note is unbearable looking at the old ones stings.. you suck in a good way

[4/2/19, 5:27:23 PM] +1 (631) 379-9928: Ya

I know

Do your f'in push-ups

And stop doing shit to re write them

[4/2/19, 5:28:17 PM] Anastasia: I'm in the hot tub oops

[4/2/19, 5:32:20 PM] +1 (631) 379-9928: You better be sober

And

Do them when you get out

[4/2/19, 5:37:26 PM] +1 (631) 379-9928: Do one thing I asked you today for yourself

[4/2/19, 6:16:05 PM] Anastasia: I'm 97% sober. Okay and okay. Also, I talked to Maryann and I was like I'm on a low today and I'm falling behind in some of my classes. And I was like running doesn't even help at the moment because I don't have any motivation and she was like well that's when you need to do everything you don't want to because knowing you can push through the hard things will get you through the easy. You need to find thing to do that you love for example go for a walk with Clifford since you don't want to run.

[4/2/19, 6:16:45 PM] +1 (631) 379-9928: Hmmmm

[4/2/19, 6:16:49 PM] +1 (631) 379-9928: Sounds familiar

[4/2/19, 6:17:32 PM] +1 (631) 379-9928: Question

Do you feel like you have to come see me or do you still look forward to it ?

[4/2/19, 6:17:34 PM] Anastasia: She was also like you need to stop being near [REDACTED]

a blind person could see she's not good for you and then we talked about [REDACTED]

and how she try's to push me to be better for myself etc

[4/2/19, 6:17:54 PM] +1 (631) 379-9928: Yes and yes

[4/2/19, 6:18:53 PM] Anastasia: depends like there's days like today I needed to see you because I needed to get things off my chest. Other than that I look forward to seeing you partially so I can make a joke about how good looking I look that day

[4/2/19, 6:20:48 PM] +1 (631) 379-9928: Ok

So

How's this

See me when you want I'll always ask but don't feel bad if you don't

But

Don't not see me to avoid telling me stuff

I don't want our visits to be a burden

Also

If I think you need me but aren't saying I'll demand it

[4/2/19, 6:21:21 PM] Anastasia: Last part:meaning...

[4/2/19, 6:21:48 PM] +1 (631) 379-9928: If I know you're low but avoiding me I'll drag you into my office.

[4/2/19, 6:21:59 PM] Anastasia: deal

[4/2/19, 6:22:05 PM] +1 (631) 379-9928: Also

[4/2/19, 6:22:12 PM] Anastasia: Deal

[4/2/19, 6:24:00 PM] +1 (631) 379-9928: I'd rather see everyday for a few minutes But don't want to burn you out

[4/2/19, 6:24:17 PM] Anastasia: Nah bro burn me out I need that

Make wednesday your bitch !

wednesday is a beautiful woman. She's into you but unsure of herself. Show her what you're all about (you're always saying 'give them one night with me') Make wednesday your Bitch. Show Tuesday she wasn't good enough for you and kick her to the curb (she's a meth head anyway). Kill it today.

[4/3/19, 6:00:50 AM] +1 (631) 379-9928: Monday and Tuesday were fair at best. Monday was better. You made choices yesterday but avoided the crash low.

You lose your foundations sometimes. Talking to Maryann helps you!!!!!! You forget that.

I blame myself for yesterday and Saturday night. We need to stay focused on your goals and the Staplan.

[4/3/19, 6:02:11 AM] +1 (631) 379-9928: I need you to do something today.

But you tell Thursday, "No way Sister, you gotta earn this I'm too good for you!"  
And you move right on.

Girl today should be easy, a shirtless run in the park.  
Wake up pumped about how great you felt yesterday and how you're putting so much  
stuff behind you. Not just burying it but taking it head on and killing it.  
The biggest thing I see is your respecting yourself, that's HUGE.  
You're amazing you need to see and appreciate that.

 [4/7/19, 3:31:36 PM] +1 (631) 379-9928: ok

[REDACTED] is not worth it  
 Stop letting her control you. By holding on to what she did you're allowing her to  
 have control over you.  
 You're an amazing person. You have to see that!!!!!!

It's like bullying. why do bullies pick on people, they are trying to make up  
 something they are missing. And by picking on the other person it makes themselves  
 feel better.

Those things that she said to you, she was really saying them to herself, that's  
 how she feels about herself (that's deep, re read it).

New deal

Stay away from weed

Minimize juul

In the past two years do you know how many times I've been asked if I want s drink?  
 A ton and guess what, it's not easy either but I do it.

\_chat

You need to keep running it will save you and take you places. Look at the beautiful place you were this morning, drugs won't take you there.

I'll have a full house again soon  
So I won't be around much later  
You're in a good place.

I've been hugging you all day!!!!

Stay Hard

BR (dad)

[4/7/19, 3:58:51 PM] Anastasia: You're so right. I teared up wen I hugged her dude all the anger and everything just let go but like always I held in. I just acted like we were all good. I'm trying to minimize the juuling I know it's taking me down step by step. Im slowly on the road to success.. baby steps. Thanks dad for all your support through the drugs and everything. You're one of the few people I know who won't give up on me. I need that you know that. As much as this scares the hell out of me.. you have my trust.

[4/7/19, 4:18:50 PM] +1 (631) 379-9928: Now I'm tearing up.

[4/7/19, 4:25:39 PM] Anastasia: I believe it

[4/7/19, 4:33:05 PM] +1 (631) 379-9928: I like your plan of not leaving the building during free periods  
Please do that.

[4/7/19, 4:33:54 PM] Anastasia: I will

[4/7/19, 5:22:25 PM] +1 (631) 379-9928: Stretch

[4/8/19, 5:06:32 AM] +1 (631) 379-9928: Girl

You went to bed before me last night !!!! Who's old now?!!?

[4/8/19, 5:09:30 AM] +1 (631) 379-9928: I'm sure you had a stressful afternoon, the complete opposite of the morning.

But

Having had that morning allowed you to balance the afternoon. And as shitty as the party was for you it would have been worse had you not run and enjoyed nature.

[4/8/19, 5:22:20 AM] +1 (631) 379-9928: Before you really start thinking about your day just go back to the bench, how calm and still the water was, how calm and still your body was for those moments you were in tune with nature, you felt it I saw it. That's were running can and clean living will bring you.

I don't think it's even a question now

You're going to have a a good day, great week. Just as the sun rises in the east, Anastasia will have a good day!!!!

Btw two things

I hate going for walks. But yesterday I really enjoyed walking it was so relaxing.  
And

I kinda wanna cut school and go run trails with you.

You have two weeks to juul as LITTLE as possible , try not al all, because next Friday want to run 10+ with you on black diamond trails.

I really enjoyed our run walk yesterday, our secret father daughter time. Hold onto those feelings.

You're in such a better place, you have to see that.

See you in a few

No leaving the building today, I'm metaphorically snatching your keys and telling Kenny not to let you out.

Brag about your 8.5 mile run

Just keep the location and company low key □

We know, thats good enough

 why she emailed me  
 And  
 Tell her He already knew and yelled at me for it  
 And

 [4/8/19, 5:26:43 PM] Anastasia: now this is coming from very deep inside me  
 butttttt.....  
 you do have the best intrest in me. You have gone ABOVE and wayyy beyond for me as  
 if I really am one of your kids and I've never met (obviously aside from my parents)  
 that will throw a line out for someone who was\* sooo far gone. This is why I listen  
 to you (dad) because you're everything I've always wanted to be successful honest  
 etc. I think I've learned more in these past few months than I have in the past  
 three years you feel? [REDACTED] I agree is totally bringing me down. I 100% understand  
 now where you are always coming from.. looking out of me and never against me and I  
 can't thank you enough.

You don't give yourself enough credit of how strong you are and how in command you are.

You need to see this and use it to resist peer pressure.

I can see how you are starting to respect yourself more and value yourself. It shows.

You are making bigger steps than you know.

I'll never stop telling you that it's the truth!!!!!!

 [4/9/19, 4:07:39 PM] Anastasia: and that's what hurts most.. that I let a part of me once again think she wouldn't because of the person I am

You know you have issues to deal with and are starting to deal with them in a positive way.

I think you are a pretty amazing person  
 I've opened up to you I just felt like you needed it and it was the only way to save you (Fix You).  
 I'm so glad I did.

All I want is honesty.

[4/13/19, 6:32:41 AM] +1 (631) 379-9928: Captains Log

Entering day 3 of Anastasia's reawakening.

Subject has stated she is glad she went on the trip "I really needed this".

She has stayed clean and resisted the advances of a real douche hammer who wanted sex for weed. She has too much respect for herself to do that.

She is beginning to see herself as the amazing person that she is and others know she is too.

Additionally, she learned that her roommate has a tickle fetish.

She is missed by those at home (me).

It makes me feel good to know you're in a good place.

Love Dad

[4/13/19, 6:33:19 AM] +1 (631) 379-9928: Yo I'm shot from last night

[4/14/19, 12:51:49 PM] Anastasia: I don't even know if saying sorry does it because of how far I threw myself into this

[4/14/19, 12:53:29 PM] +1 (631) 379-9928: Sooooooooooooooooo

Has anything we've talked about made a difference ?

Or when you told me that the talks with Maryann made you feel better and this or that helped , running etc is that all lies ?

[4/14/19, 12:54:10 PM] Anastasia: No the only thing I held back on was my low key drug life that I'm so engulfed into

[4/14/19, 12:54:56 PM] +1 (631) 379-9928: Low key my ass

[4/14/19, 12:55:04 PM] +1 (631) 379-9928: Are you selling ?

[4/14/19, 12:56:39 PM] Anastasia: Yes but telling the PRINCIPAL of rhs could get me shot

[4/14/19, 12:58:59 PM] +1 (631) 379-9928: So

[4/14/19, 1:02:56 PM] Anastasia: I don't think I've ever taken that many drugs in a small time period

[4/14/19, 1:03:09 PM] Anastasia: and I never took my meds last night so I'm all fucked up

[4/14/19, 1:04:03 PM] +1 (631) 379-9928: So basically I've made no difference in your life

Other than a few laughs

[4/14/19, 1:04:22 PM] +1 (631) 379-9928: That's what I'm hearing

[4/16/19, 3:55:22 AM] +1 (631) 379-9928: You and I were walking along the beach

Across the sky flashed scenes from your life

For each scene you noticed two sets of

footprints in the sand: one belonging

to you and the other to the me

You looked back at the footprints in the sand.

You noticed that many times along the path of  
Your life there was only one set of footprints.

You also noticed that it happened at the very  
lowest and saddest times in your life.

This really bothered you and you  
questioned me about it:

"BR , you said you'd walk with me all the way.

But I have noticed that during the most

troublesome times in my life,

there is only one set of footprints.

I don't understand why when

I needed you most you would leave me."

I replied

"Girl,

I love you and I would never leave you.

During your times of trial and suffering,

when you see only one set of footprints,

it was then that I carried you."

[4/16/19, 3:57:08 AM] +1 (631) 379-9928: I won't leave you but i need your help.

Full disclosure , the poem is not original I changed it to fit us but it makes my point (may have read the original ).

[4/16/19, 4:01:47 AM] +1 (631) 379-9928: I hope you didn't drink last night

and instead used your phone for no good and tuned the lights down low and enjoyed yourself (because you ain't gettin it anywhere else, LOL)

Ya I said it!

Good Morning!!!!!!!!!!!!

There is a nudge on your shoulder and a soft kiss on the lips. you here a whisper in your ear "Get up, we can watch the sunrise as we run on the beach" As you start to move around you realize you slept naked. And all the memories from last night start playing in your mind and you start to get all warm. With a smile you say "Last night was amazing, today will be even better we can watch the sunrise from bed, get back in here "

Our nerves will be racing. Butterflies and sweaty palms. Each thinking, is the other ok with this. Both wanting it.

I'll look into your eyes and move closer, as our lips touch sparks will fly. Slow at first then our mouths will open as we explore.

I'll put my arm around you and draw our bodies close. Our hearts will be racing, the heat will build. It will leave us both wanting more.

All when the time is right.

Good Morning

[4/21/19, 4:17:34 AM] +1 (631) 379-9928: of course Jon Bellion will be playing in the background and your knees will be weak.

[4/22/19, 9:56:46 AM] +1 (631) 379-9928: You wake from our nap and you're still on my shoulder.  
You slide your hand down under my shorts to wake me up.  
Once I'm up you take my shorts and your pink lace underwear off  
You climb on top and I watch as I disappear into your warm wet shaven pussy.  
My hands are locked on your hips but make their way to your breasts.  
You keep going and collapse on me as you orgasm.

Good Morning .....

 [4/23/19, 9:10:50 PM] Anastasia: Okay so I'm low key high but like you're probably sleeping which obviously is understandable but I wanted to explain today.. today was honestly one of the funnest days I've had in such a long time.. I helped Maryam with whatever she needed done and I was like can I go hang out with [REDACTED]?? (Lying) and she was like that's fine just go to Michelle's and check to see if she needs help I'm like okay fine whatever.. so I go to counseling lie my ass off because I can't stand that she won't understand [REDACTED].. if I can't talk to you about my earlier life how can I truly get into depth with my depression..? Blah blah blah 3 hours later I'm eating tbell and I'm like yo [REDACTED] pull up! [REDACTED] calls me and he was like YEOO what's up? And I'm like nothin chillin what are u doing and he was like I'm buying pods meet me.. so I FUCKING END UP MEETING HIM and he's with [REDACTED] and I get all hype and I'm like YEOO chill what's up and he was like I heard u need a juul I gotchu and I was like FUCK ME MAN yea I do.. 45 minutes later and I have a juul in my hand new pods like my life just went 20 feet under.. they were like what is the rest of your day looking like and I was like I gotta go see [REDACTED] to see if she needs help with her new baby etc [REDACTED] was like YEOO lemme come and I was like that's fine let's go! So we're heading over there blasting oldies music (from our 2000 time) and screaming our lungs out windows down.. it was the teenage life I've been waiting for!! I'm finally chill with everyone for the most part.. skip ahead we're on our way back.. again screaming our lungs out.. best time of my life man haven't felt this good in forever.. main point is I had an incredible time tonight... suppppa fucked up but honestly it was 200000000 percent worth it!!! I understand if you wanna walk away.. (knowing u won't) I mean I'm just a screw up anyways like all my older siblings.. the apple doesn't fall far from that tree. [REDACTED] left yes.. [REDACTED] left they all fucking left. I miss them.. don't get me wrong I am not gunna go out of my way to leave home and be with them but tonight was different like I needed it to happen. I can't believe I'm sayin this but I had to lie about who I was.. this is where I had to fit in.. I turned into this kid so [REDACTED] and [REDACTED] can accept me.. I don't really know where I'm going with all this anymore I just feel like u needed to understand the story. I didn't want to tell you because you're literally on vacation so dude enjoy it. You face BS all day long enjoy your wife your kids the palm trees the beach YOUR runs.. you need them man! I love you like with everything I have and I'm gunna throw this out there because I'm

And remember I have your promise after break we work on being better.  
[4/24/19, 6:35:30 AM] +1 (631) 379-9928: We feel the same about each other.

[4/24/19, 9:27:18 AM] Anastasia: It's not worth it by the way like I broke down last night.. I think I'm going through a heart break// more or less facing the [REDACTED] issues and [REDACTED] problems head on hence why that was a partial issue my eyes and my brain wouldn't shut down

[4/24/19, 9:27:41 AM] Anastasia: At 4am

[4/25/19, 8:40:26 PM] Anastasia: :))

[4/25/19, 9:03:01 PM] Anastasia: Dude I'm either really messed up or I just really think [REDACTED]'s brother is cute as hell

[4/26/19, 1:10:58 AM] Anastasia: we need to have a serious talk.

[4/26/19, 1:25:44 AM] Anastasia: I'm zooted (high) as hell and I was with [REDACTED] and of course I'm out like legit it's almost 3 am.. but that's beside the point. We were at wildwood and I broke down again. We started having this whole conversation

on like drugs and she started crying and she was like nast you need to realize how severe you are into drugs. As your best friend I'm telling you that you might need rehab. I've never in my life seen you like this. On the other hand I have never seen you this happy. Regan really has put so much work into you that you're a whole different person. I'm just so petrified that if he leaves you.. that I'm going to lose you because I know as your best friend the way he makes you happy..the way he fills the broken parts everyone broke..that you will have no problem killing yourself. So when we got to wildwood I threw my car in park and I just let it on her. Currently balling I was like [REDACTED] did so many bad things to me that Now that I'm facing it it's breaking me down. I told her everything you know about Kristina.. blah blah blah and then you came up.. Im asking you: I need to know you're not using me to be some kind of hero. Like I'm some sad kid you just want to save since you couldn't save [REDACTED]. Honestly this might not even be something to text about but I cannot continue not knowing..

[4/26/19, 8:19:18 AM] +1 (631) 379-9928: Not really the morning text I wanted to send but you need answers.

Take [REDACTED] out of the equation.

I won't address [REDACTED] drug points she might be right.

The only way I'm leaving you is if you walk away (which I will fight you on) or if it comes down to someone blowing up our spot and us being forced not to have contact.  
Do you still not trust me?

I don't see you as some sad kid that needs saving to make myself feel better.

What have I been saying to you.  
Find another group of acceptance not [REDACTED] workout feel better about yourself  
thing will start to fall into place. STOP THE DRUGS.

Now reality is after graduation we won't see each other every day (sad)

but I want to stay in contact and run together when we can.

I'm not using you. I'm trying to help you and give you skills for your life to be the amazing person that I see and you don't.

what we have is different people won't understand  
we talked about that.

Girl

Gottchu!!!!!!

[4/26/19, 8:20:10 AM] +1 (631) 379-9928: Now what I was going to send

Woke up with an enormous erection, thought of you immediately.
